

SCHOOL OF

DANCE

2026-2027 DANCE SEASON

CLASS PREPARATION

Dancers should arrive dressed for class and with their hair fully pulled back and secure. This allows for an optimal learning environment and for classes to start promptly. Dance bags should include dance shoes (labeled with dancer's name), extra pair of socks and water bottle.

WHAT TO WEAR TO DANCE

We appreciate seeing each dancer's personal style shine through. Dancers should wear comfortable, form-fitting clothing that allows them to move freely and helps instructors see proper alignment.

Great options include dance dresses, leotards, skirts, tights, athletic pants, leggings, long shorts, tank tops, and sports tops. Please, no midriff tops.

Middle and high school dancers may wear waist-length tops that provide appropriate coverage. Bra-style tops may not be worn on their own.

Please note that Ballet classes have separate dress code requirements.

CLASS SHOES

- **Intro to Dance:** Pink ballet shoes
- **Combo:** Pink ballet shoes and black tap shoes
- **Ballet:** Pink ballet shoes
- **Musical Theater:** Black jazz shoes
- **Jazz:** Black jazz shoes
- **Lyrical:** Turners or footies
- **Modern/Contemporary:** Bare feet or footies
- **Hip Hop:** All-black indoor athletic shoes

Dancers may continue wearing last season's tan jazz shoes or white Hip Hop shoes if they still fit. Our goal is for everyone to have black shoes by the Winter Recital.

DROP OFF AND PICK UP

- No early drop offs
- Only dancers and teachers in the building

This policy was implemented in 2020 and has resulted in a more calm, productive, and healthy environment. We have noticed dancers are more confident and focused in class. Having less people in the building allows classes to start promptly.

- Younger dancers will be greeted by a teacher, or teaching assistant, to help them prepare for class
- Once class is dismissed, a teacher, or teaching assistant, will help dancers transition out of class and prepare for pick-up
- Immediate exit/pick-up will be required

Email is the best way to communicate any questions/concerns.

WELLNESS

- It is always our mission to create a healthy and happy space for children.
- Teachers will only teach when healthy.
- Students should not attend class if they have any cold or flu symptoms.
- When needed, dancers should bring healthy nourishing food that fuels their energy.

We appreciate you
